School of Engineering & Technology (SoET)

MGM University

MGM University, established by the revered Mahatma Gandhi Mission Trust, a pioneer with four decades of remarkable legacy in education, research and service, is a State Private University, approved by Government of Maharashtra MGM University Act No. XXVI of 2019. It has the 2(f) status granted by the University Grants Commission (UGC) of India.

MGM University comprises of seven faculties (disciplines) within a broad framework of inclusive Colleges, Institutes, Departments and Schools. Though the university was formed in 2019, most of its institutes carry a rich legacy of over 42 years of imparting quality education.

School of Engineering and Technology

The School of Engineering and Technology (SoET) at MGM University is a pioneer in offering Integrated Six-Year B.Tech. Programs (after SSC) and Four-Year B.Tech. Programs (after HSC) in the Marathwada region. The Integrated program allows students to begin their engineering education right after Class 10, offering an early advantage and extended time for hands-on learning, innovation, and deep exploration of engineering fundamentals. This structure empowers young aspirants to build a strong foundation and stay ahead in the competitive landscape. SoET's integrated curriculum is designed to nurture curiosity, develop critical thinking, and prepare students for advanced industry demands from an early stage.

At the same time, SoET offers focused Four-Year B.Tech. Programs after Class 12, catering to students who aspire to pursue professional engineering education immediately after HSC. These programs are aligned with the latest industry trends and include emerging domains such as Computer Science and Engineering, Artificial Intelligence & Robotics, Cybersecurity, Internet of Things (IoT), and Blockchain Technology. The teaching-learning process is driven by Project-Based, Research-Based, and Collaborative methods. Students benefit from internship and placement opportunities through active collaborations with national and global industries. With a legacy of over 42 years under MGM Trust, SoET is committed to creating future-ready engineers through holistic education, modern infrastructure, and a strong emphasis on innovation and ethics.

Programs

B.Tech (Four Years after HSC)

- Computer Science and Engineering **(IoT, Cyber Security Including Blockchain Technology)**
- Computer Science and Engineering **(Cyber Security)**
- Electronics Engineering **(VLSI Design & Technology)**
- Electrical Engineering
- Robotics and Automation

B.Tech (Integrated)(Six Years after SSC)

- Computer Science and Engineering **(IoT. Cyber Security Including Blockchain Technology)**
- Computer Science and Engineering **(Data Science)**
- Robotics and Artificial Intelligence
- Civil Engineering

Diploma

- Advance Diploma in Industrial Safety (ADIS) (01 Year)
- Diploma in Fire Service Engineering (02 Year)

Key Features

- Outcome Based Education System
- NEP 2020 Aligned Curriculum.
- Innovative Teaching Methodologies like Problem Based Learning, Project based Learning, Experiential Learning.
- Well Equipped Laboratories
- Qualified & Experienced Faculty
- Strong Industry-Institute Interaction
- Course Structure includes Modern Technologies like Data Science, IoT, Artificial Intelligence (AI) & Machine Learning ML, Cyber Security, Blockchain, Robotics.
- Program makes students competent for Core Sector as well as IT & Software Sector
- Open Electives, Skill Development Courses, Value Enhancement Course.
- Support for Incubation and Startups
- Campus Placements, Internships, industrial Projects.

Facilities

- Innovation Incubation and Research Center (IIRC)
- Mechatronics & Industry 4.0 Lab
- Industrial Robotics Lab
- Electric Vehicle Lab
- Drone Lab
- Entrepreneurship and Startup Cell
- Training and Placement Cell
- Hostel, Sports and Gymnasium Facilities
- Collaboration with Foreign Universities

Admission Procedure

Register on admissions.mgmu.ac.in

↓

Fill Application Form

↓

Receive entrance test link for MGMU CET
(Date will reflect on Student Dashboard / Website)

↓

Appear for MGMU CET

↓

Check Merit List on Dashboard

↓

Verification and Submission of Documents

↓

Fees Payment

↓

Congratulations! Admission Completed
